## **REPORT ON Martyr's Day CELEBRATIONS -2024**

Martyrs' Day in India, also known as Shaheed Diwas, is observed on January 30 every year. This is the day the Father of the Nation, Mahatma Gandhi was assassinated in 1948.

Martyrs' Day is recognised nationally on 30 January to mark the assassination of Mahatma Gandhi in 1948, by Nathuram Godse.

On Martyrs' Day the President, the Vice President, the Prime Minister, the Defence Minister, the Chief of Defence Staff and the three Service Chiefs gather at the samadhi at Raj Ghat memorial and lay wreaths decorated with multi-colour flowers. The armed forces' personnel blow bugles, sounding the Last Post. The inter-services contingent reverse arms as a mark of respect. A two-minute silence in memory of Indian martyrs is observed throughout the country at 11 am. Participants hold all-religion prayers and sing tributes.

## **REPORT ON REPUBLIC DAY CELEBRATIONS -2024**

India marks January 26 as its Republic Day every year. In 2024, the country is celebrating its 75<sup>th</sup> Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every

year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our university with great éclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

## **REPORT ON SANKRANTHI CELEBRATIONS -2024**

Sankranti is one of the most important festivals in Telangana. The people in Telangana celebrate it for 3 days - Bhogi, Sankranti and Kanuma. During this festival entire state is filled with joy and rejoices the New Year in life. Sankranti, also called 'Makara Sankranti' is celebrated to mark the beginning of the harvesting season in India. It is celebrated almost all over the country, especially in Tamil Nadu, Andhra Pradesh, Telangana, Karnataka and Maharashtra. In Telangana the Makara Sankranti is celebrated for three days. During this time, the cultural supremacy of the state comes to the forefront as every place in Telangana reflects the festive spirit. The typical celebration of the 'Makara Sankranti' in Telangana takes place for three days. All houses are decorated. Guests and in laws are invited and sweets are given out to all. People dress themselves up as characters from mythology. The first day, that is Bhogi Panduga, people burn all old articles. The second day, Pedda Panduga is the Sankranti day when the big festival is held. People are dressed in new clothes and pray to God. There are also feasts arranged for the guests. Cock fighting was a favourite game during the Makara Sankranti, but it is now banned in Telangana. The third day, the Kanuma Panduga is the day for having meat after the excessive sweets.

Geethanjali College of Engineering and Technology celebrates this festival both to explore Talent Day and Traditional Day on 13<sup>th</sup> January,2024 from 10:30Am to 3:30Pm with lots of

colourful Rangoli, Kites festival, Decoration, Singing, Dancing and many more. Geethanjali College of Engineering and Technology organized the Rangoli Competitions, Painting, Singing, Dancing to the students of this college. Almost 900+ students participated in the competitions. Students and lady faculty members of all departments have participated in this event as it is the part of Sankranti sambaralu which is most important festival in Telangana.

## **REPORT ON ENGINEERS DAY CELEBRATIONS -2023**

**“Scientists investigate that which already is; Engineers create that which has never been.”**

**- Albert Einstein**

Engineers are shaping the future by applying their skills to almost everything.

They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation’s technological and industrial growth. There really

is no limit to what engineers can do. Engineers’ Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat

Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

We @ GCET celebrated Engineer’s Day on 15th September 2023 in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

On behalf of this a workshop was conducted in collaboration with Cognizant " A Case Study on IOT"

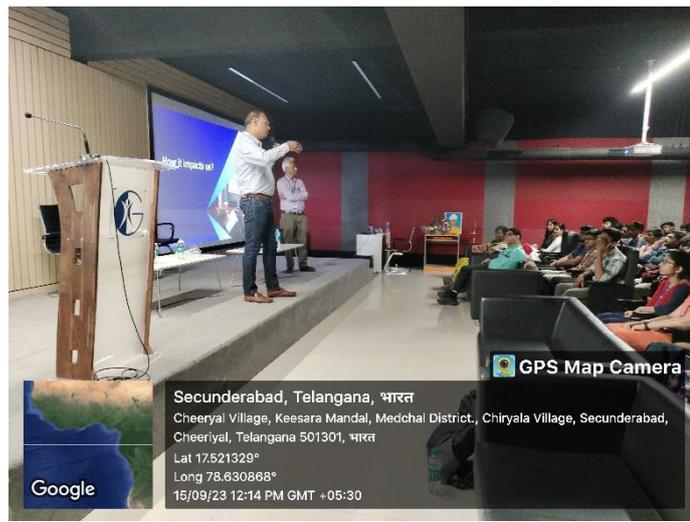

G.Ravindar Reddy garu chairman of GCET encouraged the students to broaden their perspective and enhance their skills to be successful students, to aim to be great engineers with technical skills as well as personal qualities and added that career planning is an ongoing process during engineering and students need to be strong technically.

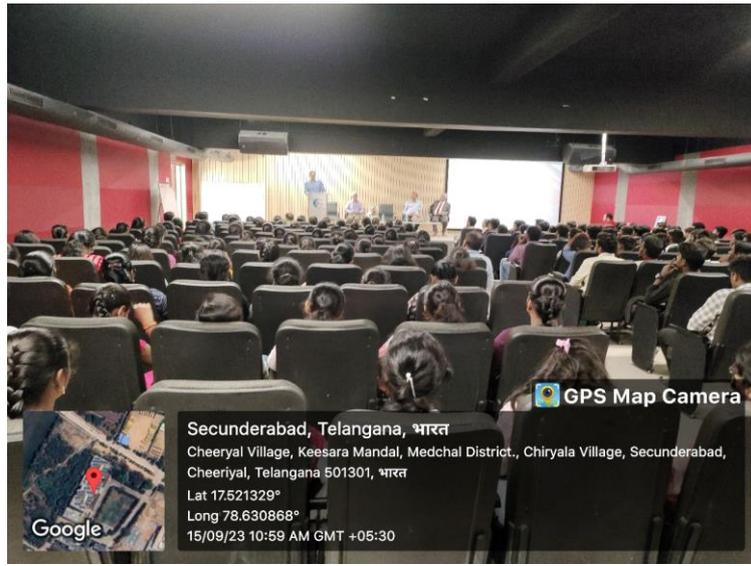

Dr.Udaya Kumar Susarla Sir, Principal, GCET addressed the students and advised them to take Dr M Visvesvarayya garu as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands.

**“To the optimist, the glass is half full. To the pessimist, the glass is half**

empty. To the engineer, the glass is twice as big as it needs to be.”

## **REPORT ON TEACHERS DAY CELEBRATIONS -2023**

Teachers' Day is an annual event celebrated worldwide to honor and appreciate the contributions of educators in shaping the minds of the future generation. In many countries, Teachers' Day is observed on different dates, but the essence remains the same – to express gratitude and recognize the pivotal role teachers play in nurturing and molding the potential of their students.

### **Purpose of Teachers' Day:**

The primary objective of Teachers' Day is to acknowledge and appreciate the tireless efforts, dedication, and commitment of teachers in imparting knowledge, fostering intellectual growth, and instilling values in their students. This day serves as an opportunity for students and communities to express their gratitude and admiration for the hard work and passion that teachers bring to the noble profession of education.

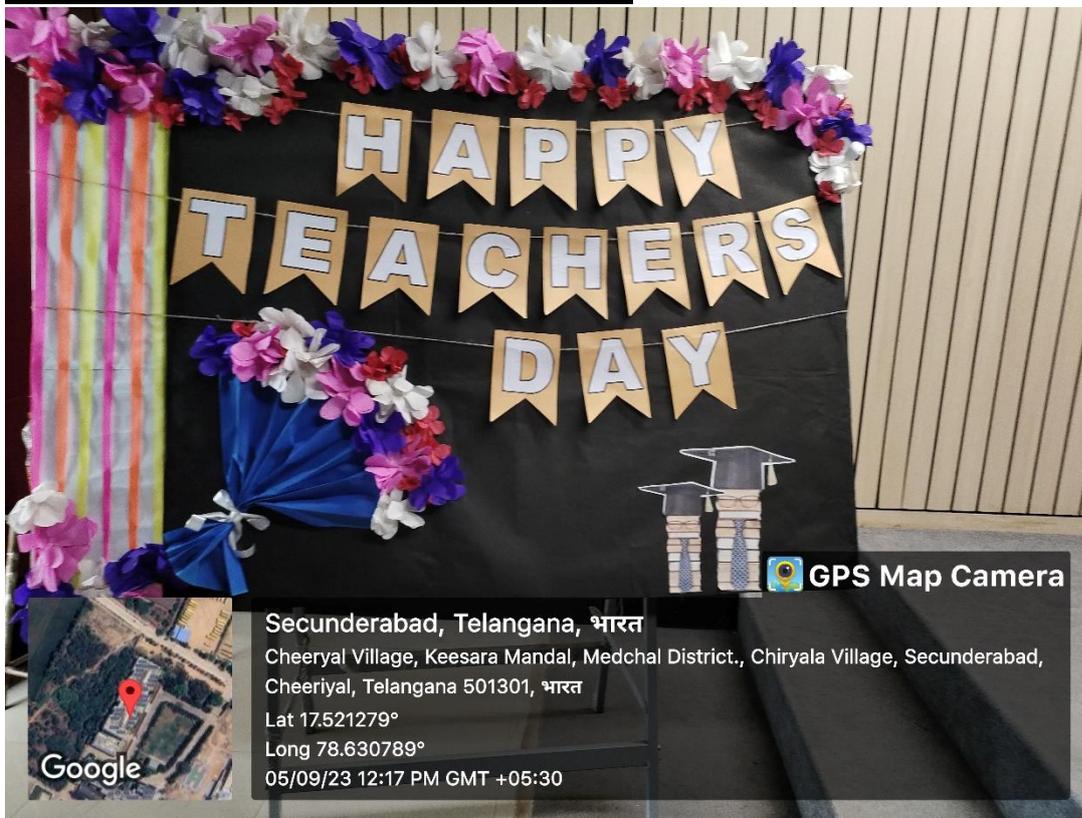

### **Expressions of Gratitude:**

One of the hallmark features of Teachers' Day is the expression of gratitude from students. Many students take this opportunity to reflect on the impact their teachers have had on their lives and express their appreciation through letters, poems, or speeches. Social media platforms are often flooded with posts and messages expressing gratitude for the profound influence teachers have had on individuals.

Fine Arts and Cultural Club Faculty and Students of Geethanjali College of Engineering and Technology conducted a Teachers Day on 5<sup>th</sup> September,2023 between 11 A.M -2:00 PM. At Block-I CSE auditorium. The Faculty, Staff students of the GCET has actively participated in the event.

Different events were organized like Singing, One minute games , Anthyakshari and many more as a token of gratitude prizes were given for the winners and refreshments were served.

## **REPORT ON INDEPENDENCE DAY -2023**

Independence Day in India is a momentous occasion that marks the country's freedom from British colonial rule on August 15, 1947. This day is celebrated with great enthusiasm and patriotic fervour throughout the nation, as citizens come together to honour the sacrifices made by freedom fighters and to celebrate the spirit of unity in diversity.

### **Flag Hoisting Ceremony:**

The day typically begins with the hoisting of the national flag by the Prime Minister at the Red Fort in Delhi. This ceremony is attended by thousands of people and is broadcasted live across the country. The national anthem is sung, and a 21-gun salute is given to pay homage to the tricolor, symbolizing the values of courage, peace, and truth that it represents.

Independence Day is also celebrated at the grassroots level, with flag hoisting ceremonies held in schools, colleges, and local communities. Students participate in various cultural activities, showcasing their talents and expressing their love for the country. Community events often include the participation of local leaders, fostering a sense of togetherness and community spirit.

Independence Day in India is a symbol of national pride, unity, and freedom. It is a day when people from diverse backgrounds come together to celebrate the shared identity of being Indians. The festivities are not only a tribute to the country's history but also a call to action for citizens to contribute actively to the ongoing journey of progress and development. As India commemorates its independence each year, the spirit of patriotism and commitment to building a better future remains at the forefront of the celebrations.
