## **Minutes of the Seventeenth Academic Council Meeting**

**Venue: Conference Hall of the College at 5.00 PM**

**Date: 13-02-2021.**

At the outset, Dr.Udaya Kumar Susarla, Principal extended a warm welcome to all the members of the Academic Council.

### **Agenda Item 1: Approval of the minutes of the sixteenth academic council meeting held on 28<sup>th</sup> November, 2020.**

**Approval:** Minutes of the Previous (sixteenth) Academic Council meeting already circulated were presented by the Principal and viewed by the members. The Academic Council approved the same without any changes.

### **Agenda Item 2: Ratification of results of examinations conducted since the last Academic council meeting.**

#### **Proceedings/Discussion:**

CoE presented the results of all examinations conducted by GCET since the last Academic Council meeting, including regular and supplementary examinations. He further mentioned that these results have been vetted by examination results committee nominee of JNTUH. Members noted that the pass percentage of students was generally on the lower side, understandably due to prevailing pandemic situation depriving the students of the benefit of offline teaching. In reply to a question, the Principal mentioned that the question paper pattern was changed from the normal; the compulsory section (part A) was omitted and the paper had long answer questions with internal choice. Dr. K.Rama Mohan Reddy opined that had the question paper consisted of 8 questions (without any compulsory question) of which 5 had to be answered, the results might perhaps have been better. The Principal responded to this saying that the internal choice system was followed to encourage students to study all the units of the syllabus.
