Accredited by NAAC with 'A' Grade & NBA, Approved by AICTE and Affiliated to JNTUH
Cheeryal(V), Keesara(M), Medchal Dist., Telangana – 501 301.

Hackathons for the Academic Year: 2018-19

Geethanjali College of Engineering and Technology

CHEERYAL (V), KEESARA (M), Medchal DIST-501301, Telangana

Report on

‘Agritech-e-thon’

A 36Hr Hackathon held at

Geethanjali College of Engineering

In Association with

J-Hub of JNTUH

5th -6th Jan 2019

Convener

Dr. Anil Kumar Puppala

Co- Convener

Mr. Phani Kishore

Principal

Prof Dr. Susarla Udaya Kumar

PRINCIPAL
Geethanjali College of Engg. Tech.
Cheeryal (V), Keesara (M), K.R. Dist. (A.P.) - 501 301

Pre-Hackathon:

A separate website <https://events.geethanjaliapp.com/> was created to disseminate the information about the Agritech-e-thon that was hosted at Geethanjali College of Engineering. The above URL was also made available at the college website.

<http://www.geethanjaliinstitutions.com/engineering/index.html>

The website had a provision to receive registrations through 'Google forms'. Process flow chart for the 'entire process' as given in Annexure I is posted in the website.

The registration forms required a small description of the idea which included: Problem statement, proposed solution, market evaluation, prospective customer feedback etc., to be made as a .PPT. A template of which was made available during registrations through the website.

Cash prizes worth 60,000/- were announced by the management as follows

1st Prize: 25,000/- INR;

2nd Prize: 20,000/- INR

3rd Prize: 10,000/- INR

And five consolation prizes of 2000/- INR for each team

Registrations/Responses received:

For the Bootcamp, the registrations received online were 258. It was learnt that J-Hub provided resource persons for AI-ML but Geethanjali has organized another parallel workshop on IoT as well. The attendees for AI-ML were 55 and the attendees for bootcamp workshop on IoT were 135

There were 99 teams that registered online through the website, which included registrations from Tamil Nadu -1, Karnataka – 1, Andhra Pradesh – 3 and 27 from other nearby colleges. However, there were only 56 teams that actually turned up to the event, of which there are 22 teams were from other than Geethanjali College, which also included one (1) college from out of the state - Tamil Nadu. Participants were asked to sign a consent form (Annexure II) to see that discipline is maintained during the event.

During the Hackathon**Inaugural Function**

It started at 9:30AM. The convener of the Hackathon briefed about the number of registrations received and the arrangements made. Chairman of the college Mr. Ravinder Reddy and Principal of the college Prof Dr. Susarla Udaya Kumar spoke about the concept of 'project based learning' that is integral to the Hackathon competitions like these. Mr. Srinivas Pothapragada, serial entrepreneur and Venture Capitalist, graced the occasion as chief guest and opined that it is the person who has "identified a problem and proposes a solution" is the most important person in a society. The inaugural function ended at 10:10 AM.

The complete duration of 36 Hrs was divided into four phases:

1. Ideation Phase.
2. Design Phase.
3. Implementation Phase
4. Final Pitching Phase

It would have been an onerous task for the two nominees of JNTUH's to go through all the 56 teams during ideation phase. So, it was suggested that the ideation scrutiny team (consisting of Two JNTUH nominees and two nominees of GCET - Prof Ashok Sarma and Prof Siva Kumar) be split into two teams with one (internal and external) in each team. Both the teams suggested improvements for almost all the teams. This phase ended at 2:10PM. Participants, who completed the ideation phase, were asked to start

PRINCIPAL

Geethanjali College of Engg. Tech.

(V). Keesara (M). R. K. Date: 14/07/2019

working on their projects at the venue, who were monitored by the faculty nominated by GCET at the venue.

Post lunch, a second review was started by the same teams at about 4:00PM going to their respective desks and by 5:30PM the scrutiny teams had completed the process. Meanwhile another mentor team nominated by Geethanjali College, Mr. Jagdish Lolugu, Dr. Bernadetta Kwintiana Ane from Engineering Staff College of India and Mr. Ashish Agarwal from Microsoft were suggesting some more improvements to the participants. They started their process at 2:30 PM and ended at about 7:30 PM. All mentors and nominees left at about 5:30PM on Saturday.

At 5:30PM on Saturday, intermediate targets were framed by Prof Siva Kumar and Hackathon convener Dr. Puppala of GCET and they were notified to the participants. Other faculties nominated by GCET were seen continuously guiding the students so as to **freeze their design**.

The internal committee appointed by GCET Prof Ashok Sharma and Prof Siva Kumar started their review again at 11:00 PM on Saturday, which continued until 3:00 AM. Meanwhile, Dr. Radhika (HoD EEE), Dr. Harish Pulluri (EEE), Dr. Devaiah (ME), Mr. Subbarao (ECE), Mr. Sandeep (ECE), Mr. Rajesh (CE) were interacting and guiding the teams.

After returning from a brief rest and freshening up, Profs. Ashok Sharma and Siva Kumar returned again to start their review again at 9:00 AM on Sunday, who were joined by three more mentors Mr. Karthik and Mr. Sudheer from Wipro and Mr. Pavan Kumar from Accenture, all of them nominated by Geethanjali college, at 9:30 AM. They were mentoring and at the same time were awarding the marks as per the criteria given by JNTUH - **Completing the implementation phase, which continued until 4:30PM on Sunday**.

JNTUH's nominees of the final jury from Infosys Mr. Papa Rao Kapuganti and Mr. Madhusudhan Rao were briefed about the progress and they shortlisted 18 teams, to which the jury again went and selected the winners for **during final pitching**.

Valedictory Function:

The valedictory ceremony started at 7:15 PM on 6th January with interaction/feedback from the students from other engineering Colleges. A student from Malla Reddy college of engineering for Women stated that the arrangements made by the team and management during the Hackathon were commendable and no such arrangements were made during the Hackathons in other colleges / universities and the mentoring support received from internal faculty during the Hackathon were extremely helpful for the development of the prototypes. Cash prizes worth 60,000/-INR, as announced by the management, were awarded by the chief guest to the following winners.

PRINCIPAL
Geethanjali College of Engg. Tech.
Cheeryal (V), Keesara (M), R.K. Dist. (A.P.) - 501 301

Prize	Name of the Participant	College	Title of the project
1 st Prize	P. Shraddha	Geethanjali College of Engineering and Technology	Solar powered agricultural robot
	B. Sai Priya		
	M. Vyshnavi		
2 nd Prize	M. Bhanu Prakash	Anurag Group of Institutions (CVSR)	Smart irrigation
	K. Ganesh Kumar		
	G. Lingaiah		
3 rd Prize	G. Uday Kumar	Geethanjali College of Engineering and Technology	Automated Irrigation with Solar Tracker and Moisture sensor
	B. Gourav Anand		
	G. Sandeep Varma		
Consolation Prize	K. Sai kumar	Anurag Group of Institutions (CVSR)	Smart (Driving) license
	K. A. Sohail Afridi		
	Y. Adith Keshav		
Consolation Prize	A. Krishnaja	Geethanjali College of Engineering and Technology	Impacts of climate change due to urbanization
	P. Sai Ram		
	G. Sai Hanisha		
Consolation Prize	Taseen	Vidya Jyothi Institute Of Technology & sciences	Rural Development squad
	Priyanka Tiwari		
	D. Hanishaa Sai		
Consolation Prize	V. Vinay Kumar	Geethanjali College of Engineering and Technology	Seed sowing
	L. Venkatesh		
	B. Swamynathan		
Consolation Prize	M. Abhishek	Geethanjali College of Engineering and Technology	Waste water treatment
	K. Rafeuddin		
	K. Meghana Sai		
	Ramya Teja		

Other Facilities:

A request for Police patrol vehicle by the college was kindly considered by Circle Inspector, Keesara Police station and was provided the same. Temporary rest areas were provided for boys and girls in two separate blocks renting about 200 beds. Mr. Ramanjaeyulu and Mr. Naresh took care of the food. Ms. ARL Padmaja and Ms. Sowjanya ensured that there were no boy students to go near the girl's rest areas and vice versa. Student volunteers (**although some of whom were not able to register in the J-Hub's website as was mandated by J-Hub**) did a tremendous job in assisting the jury, team, participants.

Annexure:

- I. Hackathon at Geethanjali College – flow chart.
- II. Student consent form.
- III. Boot camp registrations for IoT.
- IV. Boot camp registrations for AI-ML.
- V. Registration for the Hackathon.

Circular

JNTUH's J-HUB is coordinating a league of 36 Hr Hackathons that are being conducted by 15 affiliated colleges. As a part of the same, our college is conducting on the theme "**Agri-Tech and Rural Development**" on Jan 5th and 6th 2019. The last date for registrations is 26th Dec 2018. Interested students may contact your departmental coordinators for further information or may visit our college website, where a separate weblink for the Hackathon is activated for registrations and other information. Students are also encouraged to participate in Hackathons that are being conducted by other colleges as well. There is no fee for registrations.

The departmental coordinators:

Geethanjali College of Engineering and Technology

AUTONOMOUS

(Accredited by NBA, Approved by AICTE, New Delhi)
Sy.No. 33 & 34, Cheeryal (V), Keesara (M), Medchal District. - 501 301.

Guidelines for the Hackathon – Agri-e-Thon

The purpose of the Hackathon

The Hackathon at Gethanjali College of Engineering and Technology (GCET) aims to engage students from multidisciplinary backgrounds around technology in (but not limited to) agritech and rural sector. Improving the cultivable land, yield of the crop, water harvesting or effective utilization of water/energy/resources, using any of the technology areas mentioned below, even in cottage industries to improve operations.

Who Can Apply?

Any student enrolled in a full time bachelor's (preferably engineering) degree that has an innovative idea and uses technology to solve a challenge/problem in the "agriculture and rural area" providing a solution using the following technologies (but not limited to):

Robotics
Remote Sensing
Automation
E-Commerce
Traceability
Big Data
Artificial Intelligence
Machine learning
Sensors
Internet and IoT
Logistics
Drones
Energy efficiency
Urban Agriculture
Supply chain
Solar Energy

General instructions:

- Participants **MUST** bring their own laptop/devices/hardware/software. Participants have to make sure that their laptops have Wi-Fi connectivity enabled.

Geethanjali College of Engineering and Technology

AUTONOMOUS

(Accredited by NBA, Approved by AICTE, New Delhi)

Sy.No. 33 & 34, Cheeryal (V), Keesara (M), Medchal District. - 501 301.

- Teams must register by December 26th 2018 through the provided Google form. Intimation of the selected teams will be done by Dec 29th.
- Team members may be from different academic levels and from different technology streams limiting to a maximum size of three.
- Changes in team members, after the process of registration are not encouraged.
- Teams can work on an idea that they have worked on before. Participants must clearly define what is previously developed and newly created.
- Teams can use libraries, frameworks, or open-source code in their projects. Working on a project before the event and open-sourcing it for the sole purpose of using the code during the event is against the spirit of the rules and is not allowed.
- Teams must stop the work after the stipulated time. However, teams are allowed to debug and make small fixes to their programs after the stipulated time e.g. If during debugging if a bug is found that breaks the application and the fix is only a few lines of code, it's okay to fix that. Making large changes or adding new features is not allowed.
- Participants must ensure that all their mobile phones, tablets and iPads are switched off. If a candidate is found using a mobile phone, he / she will be required to leave the venue.
- Winners are eligible to enter JNTUH's EXCITE programme and will be listed as top 20 innovators in JNTUH's website. They also get access to all the skill development workshops and internships that JHUB organizes.
- Participant must have a **valid Govt. Photo ID proof along with their respective college IDs** for verification purpose and **shall submit a photocopy of the same during registration.**

Valid ID Proofs for Verification purpose for Proof of Identity (All Identity proof must have a Photo)

- Aadhaar (UID), Passport, Driving License, Election Commission ID Card, Ration Card with Photo, for the person whose photo is affixed, Certificate of address having Photo issued by MP/MLA/Group-A Gazetted Officer in letter head, Certificate of address with photo from Govt. recognized Educational Institutions, Certificate of photo identity issued by Village Panchayat head or its equivalent authority (for rural areas), Income Tax PAN Card (May be accompanied with another ID with a Photo), Address card with photo issued by Dept. Of Posts. Govt. of India, Photo Identity Card (of Central Govt. /PSU or State Govt. /PSU only), Photo Identity Card issued by Govt. recognize Educational Institutions (for students only)

The Accounts Officer
GCET.

Respected Sir,

Geethanjali College of Engineering and Technology is conducting a 36 Hour Hackathon-2K19 in association with JNTUH's J-Hub on 5th and 6th Jan 2019. The budget for the same is approved by our Chairman/Secretary sir through a letter dated 30th Nov 2018.

I request you to kindly give us a cheques in the following denominations for giving away prizes for the winners – as advertized/.

Description	Advance amount requested
3 Cheques of 8333/- each	Total 25,000/-
3 Cheques of 5000/- each	Total 15,000/-
3 Cheques of 3300/- each	Total 9900
5 Cheques of 2000/0 each	10,000/-
Total	59900/-

Thanking You

Participant Consent and Registration form

General instructions:

- Participants **MUST** bring their own laptop/devices/hardware/software. Participants have to make sure that the laptops have Wi-Fi connectivity enabled.
- Team members may be from different academic levels and from different technology streams limiting to a size of three.
- Changes in team members, after the process of registration are not encouraged.
- Teams can work on an idea that they have worked on before. Participants must clearly define what is previous developed and newly created.
- Teams can use libraries, frameworks, or open-source code in their projects. Working on a project before the event or open-sourcing it for the sole purpose of using the code during the event is against the spirit of the rules and is not allowed.
- Teams must stop the work after the stipulated time. However, teams are allowed to debug and make small fixes to the programs after the stipulated time. e.g. If during debugging if a bug is found that breaks the application and the fix is or a few lines of code, it's okay to fix that. Making large changes or adding new features is not allowed.
- Participants must ensure that all their mobile phones, tablets and iPads are switched off. If a candidate is found using mobile phone, he / she will be required to leave the venue.
- Winners are eligible to enter the JNTUH's EXCITE programme and will be listed as Top 20 innovators in JHUB's website. They will also get access to all the skill development workshops and internships that JHUB organizes.
- Participant shall submit a photocopy of valid government photo ID proof and **their respective college ID** for verification **during registration**.

Donts:

- Candidates facing any issue during the contest related to problem statement, software installation, network connection, etc. should not create any nuisance but raise their query to the concerned person. Creating nuisance will lead to disqualification of the team.

Candidates found smoking, drinking alcohol/using any other drugs for intoxication or if found involved in any unruly behavior/sexual harassment/being discourteous to the fellow participants or organizers or mentors, will be asked to stop immediately and will be handed over to the disciplinary committee and/or to the local police. Their participation will be automatically terminated.

Participant's Consent:

We, the participants given in the table below have read and understood the above guidelines and shall abide by the rules and behave cordially with my fellow participants and organizers.

Participant Consent and Registration form

General instructions:

- Participants **MUST** bring their own laptop/devices/hardware/software. Participants have to make sure that the laptops have Wi-Fi connectivity enabled.
- Team members may be from different academic levels and from different technology streams limiting to a size of three.
- Changes in team members, after the process of registration are not encouraged.
- Teams can work on an idea that they have worked on before. Participants must clearly define what is previous developed and newly created.
- Teams can use libraries, frameworks, or open-source code in their projects. Working on a project before the event or open-sourcing it for the sole purpose of using the code during the event is against the spirit of the rules and is not allowed.
- Teams must stop the work after the stipulated time. However, teams are allowed to debug and make small fixes to the programs after the stipulated time. e.g. If during debugging if a bug is found that breaks the application and the fix is or a few lines of code, it's okay to fix that. Making large changes or adding new features is not allowed.
- Participants must ensure that all their mobile phones, tablets and iPads are switched off. If a candidate is found using mobile phone, he / she will be required to leave the venue.
- Winners are eligible to enter the JNTUH's EXCITE programme and will be listed as Top 20 innovators in JHUB's website. They will also get access to all the skill development workshops and internships that JHUB organizes.
- Participant shall submit a photocopy of valid government photo ID proof and **their respective college ID** for verification **during registration**.

Donts:

- Candidates facing any issue during the contest related to problem statement, software installation, network connection, etc. should not create any nuisance but raise their query to the concerned person. Creating nuisance will lead to disqualification of the team.

Candidates found smoking, drinking alcohol/using any other drugs for intoxication or if found involved in any unruly behavior/sexual harassment/being discourteous to the fellow participants or organizers or mentors, will be asked to stop immediately and will be handed over to the disciplinary committee and/or to the local police. Their participation will be automatically terminated.

Participant's Consent:

We, the participants given in the table below have read and understood the above guidelines and shall abide by the rules and behave cordially with my fellow participants and organizers.

JUDGING CRITERIA

- efficient usage of water

Innovation & Technology (40)

- i) Distinct Idea/Fundamentally different approach to solutions
- ii) Idea Addressing the clear need
- iii) Solution proposed has innovative use of technology
- iv) Solution inspires people to support
- v) Idea is in line with the theme

Usability (20)

- i) Clear definition of the problem
- ii) Solution demonstrates impact
- iii) Appropriateness of technology chosen
- iv) Solution is sustainable

Feasibility (20)

- i) Has proof of concept
- ii) Has a plan for market
- iii) Has plan for external validation

Presentation & Team (20)

- i) Does the team have experts to meet their goals
- ii) Is the team passionate
- iii) Is the presentation professional
- iv) Any other strength pl. specify

Approved by AICTE, New Delhi; Permanently Affiliated to JNTUH)
Sy. No. 33 & 34, Cheeryal (V), Keesara (M), Medchal District. - 501 301.

Date: 8th July 2019

Sub: Letter of Appreciation: Reg

This is to appreciate the mentoring support of Dr. M. Devaiah because of whom the following students got qualified and participated in the II round of Smart India Hackathon 2019 Hardware edition out of a total of three rounds. The effort of the students and their team work is laudable, as they came together and created a working model of 'air cleansing tower'.
