Feedback on One Week Staff Development Programme
Organized by Department of Freshman Engineering
April 27th to May 4th 2020

General Observations of the Facilitator

The participants are enthusiastic learners and eager to improve their skills. Most of the participants have committed mistakes in using appropriate tense, verbs and subject verb agreement. These mistakes are identified in both speaking and writing tasks.

Report on One Week Online Staff Development Programme
Organized by Department of Freshman Engineering and Centre for Soft Skills Development
27th April to 4th May, 2020

Online Staff Development Programme was organized primarily to enhance basic language skills, both spoken and written of the non teaching staff working across all the departments.

Speaking and Writing activities were conducted on Google Meet. The participants participated in all the activities enthusiastically and exhibited lot of interest in learning the job specific skills.

Fifty two participants filled the Google form and invited the initiative. However, due to network problems, many of the participants could not join the classes. Nevertheless, fifteen participants showed lots of enthusiasm and participated actively in all the activities during and after the class.

Presently, the training is given through EDMODO- A Learning Management System. Nine staff members have joined the EDMODO.

I thank Dr.G.Neeraja Rani, Head, Freshman Engineering who readily accepted the proposal and has been constantly supporting me in this endeavour. I thank Dr.N.Subhadra, Associate Professor of Mathematics, who has provided a lot of background support in all aspects for successful completion.

We went to the Ramakovishna math for "Youth Campfor Boys". We fill the forms and paid the Enterna Ce
fee first they took us to the Temple of Rama krishna.
We would him and meditated fee 10 minutes and
then they took for Breakfast. After that they storted
the priogramme. First a hours motivational speeches
were delivered by Swami Bodhamayan and a ji. The
speech was delivered by Gampa Nageshwaerao. It
was very pleasant to listen to his speech and
the motivated.

After that we went for lunch at 1 pm.

Post lunch we heard two speeches by different speakers.

And then we participated in group discussion

on swami Vivekan anda's Journey to Hyderabad. From,

each group was selected 1 member to speak on the

overview of the Video which was played by them.

High tea and snacks seeved at 4 pm. It was very meniorable day and we learnt many thing which Can Change one Qualities and Behavious PRINCIPAL PRINCIPAL

A guest lecture on Mental Health Awareness Programme was organized by Department of Freshman Engineering on 20-01-2020 by Dr.Swetha Turlapati from Pause for Perspective-a mental health space that aids in cultivation of mindfulness and intentional living was the resource person.

Dr Swetha Turlapati, explained the importance of mental health and skillful living through practices of mindfulness. She told that mindful practices are effective tools for individuals in their day to day living.

She explained the terms anxiety, stress, depression and suggested many simple techniques to overcome anxiety and stress.

Nearly 360 I.B.Tech students have participated in the guest lecture.

I thank the Management and Dr.G.Neeraja Rani, Head, Freshman Engineering for facilitating this guest lecture and all my colleagues who cooperated in all respects.

Dr. Swetha Turlapati

Masters in Applied Psychology, Post- Graduation Diploma in Mental Health, Diploma in Clinical counseling, Pharm.D (Doctor of Pharmacy)

- Counseling Psychologist at Pause for perspective
- Has been in the field past 3 years.
- Has taken workshops for various modalities like REBT, Transactional Analysis, Mindfulness, MBTI, Alternative therapies.
- Incorporates various approaches like client-centered approach, CBT,
 Transactional analysis, Acceptance and commitment therapy,
 Mindfulness and solution focused therapy.

Has worked with clients with Anxiety, Depression, OCD, Sexual Abuse, Relationship issues, marital issues, self-esteem.

- Has conducted workshops for a variety of populations including organisations, Geriatric, women's group, and colleges in spreading mental health awareness and extending skills in group engagement.
- Worked with Mallareddy hospitals as Patient counselor and dealing with acute and chronic illness patients across various departments.

Developing a connection to the inner world of the client that extends to the mind, body and soul has always brought a sense of calmness in my practice. My constant willingness to learn and grow and being able to perceive emotions and depth has helped me become more empathetic and genuine. I believe connection to oneself leads to being one's authentic, higher self.

"The world 'within' us is our compass and letting it take the comfort drives the true self"

ABSTRACT/SUMMARY:

This report aims to present the observations of the first session of the activity HUMAN LIBRARY conducted by the Centre for Soft Skills Development of Geethanjali College of Engineering and Technology on Saturday, 19th of December 2020. The faculty coordinators of this event were Dr.B.Nagamani and Prof. G. Karuna Kumari. The student coordinators were A.Vaishnavi (18R11A0497) and Srija Vakiti (18R11A04E0) from ECE- 3C. The event was open to students of all years and branches, and was held online between 11am and 12.30pm online (through Google meet).

The objective of the activity was to help students improve their vocabulary and public speaking skills, encourage free speech in professional and non-professional fields, and to normalize habitual reading and comprehension in general.

The session started at 11am. After five minutes of grace time for everyone to join, it formally began. Dr. B. Nagamani instructed the students about the procedure to follow while speaking. Of the forty-four registrations obtained, around thirty students attended the session and about 15 participated actively. The meet ended at 12.30pm after the students were given a link to the feedback form and with a vote of thanks from the student coordinators. This feedback-form aimed to give the organizers a deeper understanding of students' experience and expectations for the upcoming sessions.

Reception and Feedback:

- The registrations for the session opened three days prior to the meet and the forms were shared through WhatsApp. In total, 44 students, from various branches of the college, registered themselves for this activity.
- The feedback form was posted in the group chat of the meeting at 12.15pm and 13 responses were received.
- A majority (61.5%) of the students deemed the session 'Extremely Useful'. 15% of the total attendees deemed it 'Moderately Useful'.
- 53.8% of the students wanted the sessions to be conducted **once a month**, while 38% of them wanted it more frequently i.e., **once a week**. A small percentage (8%) wanted the sessions to be held **once a fortnight**.
- When asked for suggestions or expectations for upcoming sessions, a handful of students came up with creative ideas like JAM sessions, poetry recitals, literary narrations and reading experiences.
- These suggestions will be duly considered and the required changes will be made to help the students improve their skills in areas of communication (as requested).

Conclusion:

Overall, the activity turned out to be a success in terms of execution and response received from the attendees.

Report on Verbal Ability Training Classes From 04-10-'19 to 30-10-'19

An exclusive Online Verbal Ability Training to III yr B.Tech students was initiated in the Academic year 2019.

The basic motto of this training is to combine the inner skills of the students with the needed Social Skills among them. It was planned to provide training to students in three major areas namely, Analogy, contextual vocabulary and Reading Comprehension. Detailed syllabus emphasizing Etymology, Reading Comprehension and Analogy was framed.

The Verbal Ability training was entrusted to Ms. G.Karuna Kumari and Dr.B.Nagamani, faculty of English, Department of FE. This training was given to 300 selected students of III yr B.Tech. A detailed time table, encompassing one and half hours per day, running for a month from 04-10-19 to 24-11-19 is drafted. All these students were divided into 3 groups, A,B and C. Each group is taken care of by Prof. G.Karuna Kumari, Dr. A. Uma Devi and Dr. B. Nagamani respectively. Each group were given a uniform schedule of training and Tests. The tests were conducted after completing each Module. Feedback is also taken on the last day of the training.

The training was aligned with the content already present, with that of advanced vocabulary needed to seek employment and to create interest towards life-long learning.

Mrs. G.Karuna Kumari

Coordinator.

About

Pavan is the founding member of Metamorphosis, who had the seed of entrepreneurship inside him since his college days. It took him 15 months to find his first customer due to lack of entrepreneurial ecosystem in his school and college, but he never gave up. He continued making all possible efforts and at just the age of 19, co-founded Knight Tracker - a school bus tracking system. While dealing with school children as a part of his work for Knight Tracker, he was surprised to see how children had immense curiosity and passion towards business concepts and entrepreneurs. The complexity of questions from the students made him realize the untapped pool of entrepreneurial talent in them and it inspired him to form Metamorphosis.

Pavan Allena has been awarded as 40 under 40 young vibrant entrepreneurs of South India and his vision is to enable entrepreneurial skill set to 1 million students by end of 2020.

His areas of interest include new innovations in the field of IoT and Edutech. His hobbies include playing tennis and story writing. Jack Ma and Roger Federer are his inspirations.

Greetings to you ma'am

We had a really good time in engaging with such a patient and equally interactive audience. At the outset, I would like to thank the college management for this opportunity. I will be sending the detailed proposal by tomorrow which will reflect all the important features, costs involved, faculty training, sessions' structure, student outcomes and the Innovation Cell details inclusive with an elaborate timeline that we will follow.

Based on the proposal, you can revert back with suggestions or modifications from your side after which we start the fully fledged program for your students.

Thank You so much for your support

The sanitising coating is the way to go, say these Hyd students Four students of Geethanjali College of Engineering and Technology worked hard to on a coating that self-sanitises with the power of the Sun and are impressing many with their idea. Check it out Seema Rajpal Foley 17:

Buses | (Pic: Express)

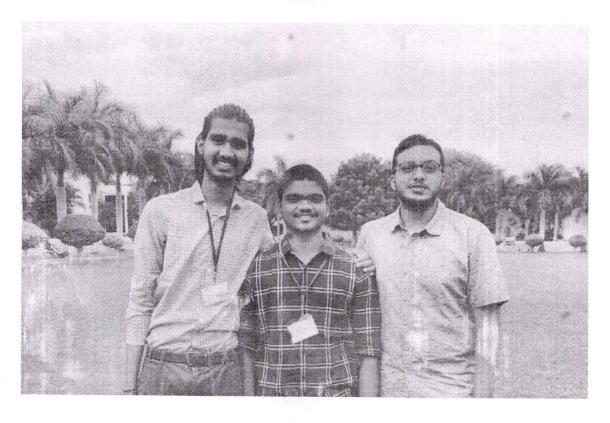

As avid public bus users, Harshith Varma, Sunny Raj, Sai Varun and Abhishek Bhemisetty, students of Geethanjali College of Engineering and Technology, Hyderabad, were quite bummed with the flouting of COVID protocols on public transport. "Sanitising was done only at the starting and final point and this made me very anxious," says Harshith. Now picture this: A photocatalytic coating that self-sanitises surfaces at multiple points in the day and derives its power from the almighty Sun. This is the solution that the quartet came up with. It might sound like it's come straight out of a sci-fi movie but believe us when we say that the youngsters have poured over Google Scholar for days together to ascertain that this is a viable option. This idea made a huge splash at the Innovation Challenge conducted by J-HUB, JNTU (Jawaharlal Technological University), Hyderabad's initiative which is known for furthering the cause of innovation, in July 2021, and the team emerged as winners. Now, they are eyeing the AICTE Vishwakarma Awards.

Harshith Varma | (Pic: Harshith Varma)

Titanium dioxide — or rather a specific variant of it that the students would like to remain tight-lipped about — is the star ingredient here. As soon as sunlight falls on any surface coated with it, a photocatalytic reaction occurs that releases water vapour and, at the same time, kills all the pathogens on it. "Just one coat would last about four months, making it cost-effective for the government as well. And in the absence of sunlight, a solar panel on the rooftop of the bus could help. A small microcontroller will switch on the solar-powered lamp automatically and the sanitisation process will continue. This idea was of Sunny Raj," says the third-year Computer Science Engineering (CSE) student. Moreover, this chemical is non-toxic and completely safe for usage in public transport, he tells us. The chemical, though used commonly in various industries, became notoriously difficult to procure and the college stepped in to help with this.

Sai Varun, Sunny Raj and Harshith Varma

While Harshith and Sunny have been part of the project from the start, the college insisted that Varun, a mechanical student with sound knowledge of structural integrity and design, plus Abhishek, a senior pursuing CSE whose forte include microcontrollers and circuits, join the team and help optimise the solution. And look how it paid off. "Truth be told, we were trying for the AICTE Vishwakarma Awards last year itself but we missed out on

To make public transport safer, this self-sanitising coating is the way to go, say these Hyd student- Edexlive submitting our idea by a few minutes. We had spent eight months on the idea and were extremely disappointed," shares the 19-yearold. But they kept at it and are now eyeing the prestigious awards once again.

To,

The Principal, GCET

Sub: - Training to the unemployed youth to near by villagers in Better Spoken English and MS-Office Program. Reg/-

Respected Sir,

Faculty members of NSS unit of GCET visited near by villages in the month of April and May 2019 and contacted primary school Head Masters and village Sarpanches to know their requirements that can be supported by GCET-NSS wing. The Sarpanches of Cheeryal, Yadgarpally and Godhumakunta informed that a training can be given to the unemployed youth in "Better Spoken English & MS-Office Program" The list of Villagers (33-Members) is identified by them and it is here with attached.

We are proposing to conduct this training program from 10/06/2019 to 22/06/2019 with the help of FME & CSE Departments faculty.

We request your kind approval for conducting this program.

Program Officer-NSS

TRAINING PROGRAMME ON BETTER SPOKEN ENGLISH

17-06-2019 to 22-06-2019

REPORT

The NSS of GCET is a vibrant team working for the development of village youth. One such programme launched by NSS was spoken English classes. These were taken up by Ms P. Mercy Kavitha, Dr K. Madhumathi and Ms G. Latha Suhasini of Freshman Engineering Department. Students of the neighboring villages attended Spoken English Classes for a week from 17th June to 22nd June. They were a heterogeneous group varying in levels of academic education and age group. They were from areas like Cheeryal, Yadgirpally, Bibi Nagar, Bhongir, ECIL. Kushaiguda etc. It is a known fact that Language cannot be imparted in a week but the faculty made a beginning to impart the basics of the language. The classes began on 17 June, 2019 at 9.30 am with 16 students in attendance. The session for the day began after formal pleasantries and an Ice-breaker. Grammar Classes on most important and basic topics like Parts of Speech, Articles and Tenses were covered on a remedial basis during five sessions. This improved their confidence to present their ideas better/ effectively in English. The classes to improve the Reading and Writing Skills were taken up effectively; these helped the students understand the nuances of the skills. The participants took active part in activities related to Speaking Skills.

Feedback from participants:

- 1. Almost all participants felt it would be better if more time is allotted for the sessions.
- 2. They suggested the inclusion of more Speaking Activities in next program.
- 3. Students expressed that these sessions were very helpful as they could understand the basics. They lauded the faculty's effort.

Feedback from faculty:

- 1. The team of faculty found them to be keen and focused learners. Teaching such students was a blessing as they were keen in improving their Communication Skills.
- 2. One major drawback was the participants' punctuality and regularity.

We thank the Management for enabling us organize such service oriented programme to the youth of the villages.

One Week Training Program on Computer Skills (MS OFFICE)

Report

As a MS-Office trainer I would like to give my report on the NSS one week training activity which was conducted from June 10th to 15th 2019on MS-Office(Computer Skills). This training was especially organized to the villagers of nearby villages who unemployed and people who are looking to enhance their skills to get employed. This program was aimed to impart the computer skills to the unemployed villagers to promote them to get a job opportunity.

The participants were from villages like Yadargiripally, Cheeryal, Godhumkunta, Rampally, Nagaram, Kushaiguda. They showed a keen interest in learning the subject with hands on session on the same. Every participant was given with transport and food facility along with free course material. Because of these facilities the participants were able attend the sessions everyday without any hindrance. The course material was prepared keeping in mind that they can practice the exercises even after the event.

Geethanial College of Engly and Tech. Welchill District Tollege of Engly and Tech. Welchill District Tollege (No. Welchill District Tollege)

They were taught with the following:

- 1. Introduction to MS –Office
- 2. Microsoft Word and Lab Practice
- 3. Microsoft Power Point and Lab Practice
- 4. Microsoft Excel and Lab Practice
- 5. Internet Concepts and Lab Practice

Finally, we have conducted a test each students to identify the knowledge level that each and every student has gained through the training. We also had a one to one session with our beloved Secretary Mr.G.Ravinder Reddy, were he was looking for some needs of the villagers which can be met by him. Most them gave their valuable feedback and also requested for further more training like tailoring. The Secretary also accepted for the same and the plan of it is already in progress. And training was an ultimate success in the history of our College (GCET).

Sub:-Grant of Permission to Carry Out Dental Screening and Treatment Camp

1. Dr. Alvin George and Dr. Tanushree Bera of our college are 3rd year Post Graduate students. As a part of their course curriculum, they are required to conduct screening and treatment camp in government and private colleges.

2. For the above mentioned project, the doctors and their team will be conducting a thorough dental check up for students which will help them identify those in high risk group for dental diseases, provide them necessary treatment, educate them the importance of dental health and motivate them to maintain good oral hygiene. Individual consent will be taken from the students before any procedure.

3. They will be providing a referral form stating the nature of the student's dental problem and a referral for

advanced treatment if required.

- 4. This camp will be beneficial for the members of your institute, in understanding the significance of dental health and motivate the participants towards maintaining good oral hygiene.
- 5. I request you to allow us to conduct the screening and treatment camp in your esteemed college.

6. On hearing from you, I shall direct Dr. Alvin and Dr. Tanushree to plan further course of action.

With best Wishes

Sub: - Training on Tailoring classes to the unemployed women of nearby villages under NSS wing of GCET-Regarding.

Respected Sir,

Department Faculty coordinators of NSS unit, GCET visited near by villages in the month of June 2019 and contacted village Sarpanches and villagers who are taking training at GCET, to know their requirements. The Sarpanches and the trainees of Cheeryal, Yadgarpally and Godhumakunta villages informed that they can be better beneficiated if tailoring classes are given to them by GCET, so that they can have self earning income for their livelihood. We are planning these training classes from 15th July to 9th Aug 2019 (for 4 weeks) per batch of 15 villagers.

For this program, we need the following.

- 1). Pamphlet priming -200 Nos.
- 2). Tailoring Machines 5 Nos.
- 3). Tapes -5 Nos.
- 4.Scissors 5 Nos.
- 5. Scales -5 Nos.
- 6. Threads (All colors) 3 Boxes
- 7.Trimbers 5 Nos.
- 8. White Board -1 No.

Estimation of the cost of Tailoring machines; is Rs. 5,000/- each, coming to Rs. 25,000/- for Five machines. The expected other expenditure for the above mentioned miscellaneous items is around 5,000/-. Also, this activity requires a Room of Size around 20 X 10 ft.

We request you for kind approval for conducting this program.

Sub: Request for approval for conducting tailoring classes and direct payments to the instructor for 4 months – Regarding.

Sir

As per the earlier discussions and instructions from Chairman Sir, we are conducting tailoring classes to the nearby villagers from 1.8.2019. Around 25 Villagers (Women) are participating in this program. Ms. Padma, the earlier Women Security guard, is the trainer for this program.

Security in-charge is saying that Ms. Padma is not doing the security duty and hence, he placed another Women security guard in her place, to take care of the Security activities. Hence, he is not interested to pay to Ms. Padma from his contractual amounts.

In view of this, I request for the direct payment of Rs. 10,000/- to Ms. Padma, as she is doing the Socially Responsible activity of our NSS wing to the nearby villagers, by giving this training. Also, we are planning to extend this training for another 3 months, involving other villages' women and training on better skills like dress stitching etc.

Approval for the payment of Rs. 10,000/- per month, for 4 months to the Tailoring instructor is requested.

Report On Tailoring For Villagers

GCET NSS Program officer Scheduled Better Spoken English& MS office classes in the summer holidays for near villagers. At that time the villagers were requested GCET Chairman to provide uneducated employment related activities like tailoring classes. As per villagers request training program on tailoring was scheduled from 15th July to 15th August 2019.

To start this program the NSS program officer Mr.R.Odaiah conducted a meeting among NSS department coordinators and in that meeting TAILORING program was planned and designed, distributed 300 pamphlets to nearby villages. The coordinator for this program is Mrs.G.Aruna,Asst.Professor department of MBA. After this distribution of pamphlets done by the GCET program coordinator, they received 45 interested villagers, This 45 members divided into two batches. First batch timings are 9:00 a.m. to 1:00 p.m. and second batch timings are 1:00 p.m.to 3:30 p.m.

The infrastructure required for this program was mainly stitching machines. Coordinator requested to GCET chairman the related indent for infrastructure. After that request, Chairman sanctioned 5 stitching machines, 5 thread boxes, 5 scissors, 5 tapes and the program cost per day is Rs 800/- above including program instructor charges(Rs.10000/- per month), tea and snacks.

This program is extended after 1 month because the villagers requested to extend the program to learn more designer stitching. Again GCET Chairman accepted their request through mail and extended this program up to 3 months. Probably this program wills wind-up in the month of November 2019. Finally the institute will provide course completion certificates to the villagers.

Rally on "Awareness on Plastic Pollution"

Date: 14/09/2019

Activity Name: Rally on "Awareness on Plastic Pollution"

Venue: Cheeryal village

Report: A Rally on Awareness on "Plastic Pollution" has been conducted under NSS at Cheeryal village on 14/09/2019 from 10am to 12pm.

Around 15 students and 2 Faculty members were actively participated. Faculty and students of Geethanjali College of Engineering & Technology(GCET) created awareness on "Plastic Pollution" to Cheeryal villagers.

Plastic Pollution is affecting the whole earth, including mankind, wildlife, and aquatic life. It is spreading like a disease which has no cure. We all must realize the harmful impact it has on our lives so as to avert it as soon as possible. Plastic pollutes our water. Each year, tonnes of plastic are dumped into the ocean. As plastic does not dissolve, it remains in the water thereby hampering its purity. This means we won't be left with clean water in the coming years.

Furthermore, plastic pollutes our land as well. When humans dump Plastic waste into landfills, the soil gets damaged. It ruins the fertility of the soil. In addition to this, various disease-carrying insects collect in that area, causing deadly illnesses.

Students and Faculty created awareness on Plastic Pollution through the following methods:

- Avoid single-use plastics
- Wean yourself off disposable plastics
- Stop buying plastic water bottle.
- Boycott microbeads
- Support a bag tax or ban.
- Recycle clean bottles, cans, paper and cardboard.
- No loose plastic bags or recycled goods should be placed in plastic bags.
- Use alternative packaging methods
- Use Reusable Containers for Food.
- Buy Bread in Paper Bags (or Make Your Own)

To
The NSS Programme Officer,
Geethanjali College of Engineering and Technology,
Cheeryal (V), Keesara (M), Medchal Dist.

Dear Sir,

Through: The HOD, Civil Engineering Department

Sub: NSS - Training on Land Surveying to the unemployed people of Cheeryal and other surrounding villages – update – Reg.

A meeting of NSS coordinators of the Geethanjali College, was conducted on 28th Sept., 2019 (Saturday) with the agenda of discussing about the possible help that could be rendered by the college to the unemployed people of the Cheeryal and other surrounding villages so that they get self employment oriented skills and become financially self supporting individuals.

During that meeting, Mr. D Varun Kumar, Assistant Professor and NSS coordinator from Civil Engineering Department, put forward the idea of providing the training to these unemployed people on Land Surveying using the equipment available in Surveying lab, so that they could earn money from land area measurements etc. There is ever green demand for land area measurements in view of the real estate development in the surrounding zone. Further, whenever the Government announces the LRS (Land Regularization Scheme), the plot measurement work and thereby the income become multi-fold. The NSS Programme Officer Mr. R Odaiah, Associate Professor of ECE department and Dean Student Affairs Prof K Somasekhara Rao and other NSS coordinators appreciated the idea and gave a 'go ahead'.

Accordingly, the information was updated to the Dr R Prasanna Kumar, Head of the Department, Civil Engineering Department. He constituted a team of faculty members to handle this training programme. The following are the members of this committee:

- 1. Mr. D. Varun Kumar, Assistant Professor
- 2. Mr. V. Gautham, Assistant Professor
- 3. Mr. G. Raju, Assistant Professor
- 4. Mr. D. Ramchander, Assistant Professor

Cheeryal (V), Keasana (M), Readahai Vice Francisco.

The above committee decided to conduct the said training on every Saturday during college hours. If the above faculty members are engaged with class work or departmental works on any Saturday, the following students who are well trained in Surveying lab, would take up the training so that there is no break in the training programme.

- 1. Mr. M. Vikas, 3rd Year, A section
- 2. Mr. N. Vivek, 3rd Year, A section
- 3. Mr. M. Gokul, 3rd Year, A section.

The committee members met the Sarpanch of Cheeryal Village and told him about this training opportunity and requested him to identify unemployed people and willing to undergo this training.

The first session of the training was conducted on 26th Oct., 2019 (after Dasara holidays) for the people who were present on that day. The photos taken during the first training session are pasted below:

In order to maximize the number of participants in the training, it was decided by the committee members to remind the Sarpanch again. The training sessions would continue on every Saturday, as planned.

This report is submitted to the NSS Programme Officer of the college for his update and records.

Yoga is beneficial to keep the body, mind and intellect in a healthy manner, and to face the challenges of life bravely, more so during the devastating Covid times. Due to the prevailing COVID-19 situation, as per instructions from Ministry of AYUSH, Government of India and Registrar, JNTUH, this year International Yoga day was celebrated in GCET on 21st June, 2020 in the on-line mode. All students, faculty and staff were suggested to celebrate International Day of Yoga (IDY) on 21st June, 2020 from their respective homes at 7AM. The theme of IDY this year is **Yoga @Home and Yoga with family**. An online circular was sent to all faculty and staff of GCET which contained the following:

- 1) Video links from Ministry of Ayush with different durations of Yoga Practice.
- 2) Link of Live Yoga session from Ramakrishna Math.

Faculty members, staff and students were given wide publicity about the event and were encouraged to practice yoga as per the above given instructions. 108 Students and 12 faculty members participated in this program at their individual level.

7. Proficiency Modules

These modules were taken up by in-house faculty of English, Soft Skills Trainers and faculty on Mathematics. Initial apprehensions and inhibitions that curb students' learning abilities were addressed. These sessions aimed at making the students realize their lacunae and provided adequate tips to overcome their lacunae. Applications and importance of Differentiation in Integration to engineering is explained.
