### **Introduction**

Women protection cell in collaboration with Fine Arts & Cultural Club of GCET has celebrated International Women's Day in conjunction with Talent Day 2024. The celebration aims to honor the achievements of women and inspire inclusion within the community.

### **Theme**

The theme for this year's celebration is "Inspire Inclusion," with a focus on the "Journey of Successful Women Entrepreneurs." This theme highlights the significant contributions and successes of women in entrepreneurship, encouraging others to follow in their footsteps.

### **Purpose**

The event is designed to:

1. Celebrate International Women's Day by recognizing the achievements and contributions of women in various fields.
2. Provide a platform for showcasing talents, thereby promoting cultural and artistic expressions among students.
3. Inspire and motivate students by sharing success stories of prominent women entrepreneurs.
4. Foster an inclusive environment that encourages diversity and gender equality within the college.

### **Program Highlights**

The celebration will include a series of activities and sessions aimed at inspiring and educating attendees. Key highlights will likely include:

- Keynote speeches from the Chief Guest and Guest of Honor, focusing on their entrepreneurial journeys and challenges faced.
- Cultural performances by students to showcase their talents in various art forms.
- Interactive sessions and discussions on inclusion and the importance of gender equality in professional and personal spheres.

### **Conclusion**

The International Women's Day and Talent Day 2024 at Geethanjali College of Engineering and Technology promises to be an enriching and inspiring event. By celebrating the achievements of women and promoting inclusivity, the college aims to foster a supportive environment for all its students and staff. This event underscores the institution's commitment to gender equality and the empowerment of women.

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

In reference to D.O.letter No.WW/31/2023-WW dated 10th July, 2023 (copy enclosed) as received from the Ministry of Women & Child Development (MWCD) on the above subject, a D.O letter F.NO.17-8/2023-U.5 has been issued by Under Secretary, U.5 Section, Department of Higher Education, Ministry of Education, Government of India Dated the 16th August, 2023 is in the response of a matter raised by Smt. Sangeeta Kumari Singh Deo ji, Hon'ble M.P. (Lok Sabha) under Rule 377 in the Lok Sabha on 27.03.2023 (letter attached) requesting for framing a 'Menstrual leave policy for working women and female students'.

The relevant extracts are reproduced as under:

Central Civil Services (Leave) Rules, 1972 applicable to the Central Government servants do not have provisions for menstrual leave as various types of leave are available to female Government employees under these Rules in the form of Earned Leave, Half Pay Leave, Extra Ordinary Leave, Child Care Leave, Commuted Leave, Maternity Leave, Leave on Medical Certificate, Leave Not due, etc. Similar types of leaves are also available to female employees working in Public Sector Banks, Financial Institutions and PSUs.

However, the possibility of amendment in the respective Leave Rules prescribed by various organizations/ industrial units / manpower sourcing agencies and other set ups in private sector to provide for a maximum of 10 days extra leave in a year to women / girls, that may lapse at the end of the calendar year for taking care of any complications during menstrual period, without mention of the same in the leave rules, can be explored. For female students, relaxation of 2% in mandatory attendance for appearing in examinations by respective examination boards/ universities can also be explored. However, such provisions, if made, may not apply to female employees under Central Government, PSU's, Banks and Financial Institutions, etc. where casual leave/ earned leave, etc. is already available that can be availed in such tough times.

In view of the foregoing, AICTE cordially urges your institution to consider the recommendations as mentioned above and also to share this information with all of the faculty, students, staff, and others so that they can benefit from it.

**Adarniya Smt. Sangeeta Kumari Singh Deo ji,**

Please refer to the matter raised by you under Rule 377 in the Lok Sabha on 27.03.2023 requesting for framing a 'Menstrual leave policy for working women and female students'.

2. In this regard, I would like to inform you that as per Ministry of Health and Family Welfare (MoHFW), 'menstruation' is a normal physiological phenomenon and only a small proportion of women/ girls suffer from severe dysmenorrhea or similar complaints; and most of these cases are manageable by medication. The Government has also taken initiatives to improve the accessibility of sanitary napkins and good quality medicines at affordable price through the Pradhan Mantri Bharatiya Janausadhi Pariyojna (PMBJP), which is an important step in ensuring the health security for women. Further, Central Civil Services (Leave) Rules, 1972 applicable to the Central Government servants do not have provisions for menstrual leave. However, various types of leave are available to a female Government employee under these Rules in the form of Earned Leave, Half Pay Leave, Extra Ordinary Leave, Child Care Leave, Commuted Leave, Maternity Leave, Leave on Medical Certificate, Leave Not due, etc. Similar types of leaves also available to female employees working in Public Sector Banks, Financial Institutions and PSUs.

3. I would also like to add that allowing menstrual leave to a girl/ women going through her cycle can make her uncomfortable at school/ workplace. Further, this is a biological phenomenon which may last upto 7 days and also only few cases may be severe which could require medication or rest. Its frequency and the pain or discomfort is not same in every case. Thus, the number of days cannot be uniform for allowing menstrual leave as a welfare measure. As we are looking towards women empowerment and women led development, if menstrual leave is made mandatory, the employers, particularly in private and unorganized sectors, which employ maximum number of workers including female workers, may not be interested in hiring women on one pretext or the other. This will in turn, instead of promoting woman's education and economic empowerment might lead to further discrimination on the ground of sex.

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

We are pleased to let you know that the Ministry of Labour & Employment has notified the Maternity Benefit (Amendment) Act, 2017 mandating that "every establishment having fifty or more employees shall have the facility of creche within such distance as may be prescribed, either separately or along with common facilities".

In this regard, to enable and facilitate the employer for establishing and managing the crèche facility, the Ministry of Women & Child Development has formulated the National Minimum Guidelines for Setting Up and Running Creches under Maternity Benefit Act 2017 (copy enclosed).

Given the foregoing, AICTE requests your institution to share this information with all the faculty, students, staff, and others, so that they can benefit from it.

#### About Me

I am a Certified Clinical Nutritionist from Hyderabad, India.

I am holding a Master's degree in science with a focus on Foods and Nutrition. I am a Certified IBD Dietitian and a Certified Diabetes Educator. Gayathri Nutrition was created in in 2021 as an online diet clinic in Hyderabad with an objective of providing true insight and educating common people about healthy eating and lifestyle habits.

I provide personalized diet plans & lifestyle plans to clients and patients all around the world help to manage Obesity, Thyroid, PCOD/S, Diabetes, Hypertension and all other lifestyle disorders.

I do not believe in rigorous nutrition philosophies, maintaining an impossibly small physique, or restricting oneself of items you enjoy. Rather, I advocate for the use of food as medicine in a holistic manner. My distinctive yet basic social media video presentation always has a personal and 'desi' touch, allowing me to deeply connect and engage with people's lives while efficiently delivering the message.
