Message from Head of the Department

We are delighted to share the recent accomplishments and vibrant activities from our department. Our faculty members have significantly contributed to the academic community through impactful research publications and active participation in Faculty Development Programs (FDPs), workshops, and conferences, thereby enriching the academic atmosphere. Our students have showcased exceptional talent by excelling in various curricular and co-curricular competitions, including those hosted by reputed engineering institutions. To enhance professional readiness, we successfully conducted core training sessions on Revit Architecture, Structures, and SketchUp, equipping students with essential technical skills. Further, expert lectures, hands-on workshops, and field visits were organized to provide students with practical exposure and industry insights. Community spirit was strengthened through well-organized events such as the Graduation Day, Alumni Meet, Freshers' Day, and an inspiring interactive session with a distinguished alumnus. These collective efforts reflect our ongoing commitment to academic excellence, holistic development, and continuous growth. Let us remain dedicated to our goals and continue to make meaningful contributions to the field of engineering.

Vision of the department

The Civil Engineering Department is committed to excellence, quality, and sustained growth while offering our students an outstanding and rigorous education in an environment that supports intellectual growth while meeting 21st century demands.

Mission of the department

1. To provide high-quality educational experience for students in the field of Civil Engineering with strong emphasis on professional ethics, social and environmental responsibilities.
2. To provide infrastructure and facilities to meet the latest technological requirements.
3. To provide research opportunities for faculty and students.
4. To have a continuous interaction with Industry with an emphasis on R and D.
5. To produce engineers capable of critical thinking, devoted to lifelong learning, and highly sought after by employers.

Program Educational Objectives

Program Educational Objectives (PEOs) are broad statements that describe the career and professional accomplishments that the program is preparing the graduates to achieve within three to five years of graduation. The PEOs for Civil Engineering program are:

PEO 1: Graduates will be technically adept in mathematical, scientific, and engineering fundamentals to pursue their chosen profession or pursue advanced studies with a commitment to lifelong learning for professional development.

PEO 2: Graduates will be able to apply problem-solving skills to various engineering problems that involve management of medium-sized projects to large-scale projects using modern equipment or systems, and work on multidisciplinary projects in multicultural environment demonstrating interpersonal skills.

PEO 3: Graduates will exhibit creativity, innovation, and professional ethics with leadership qualities towards societal development.

Program Specific Outcomes (PSOs)

PSO 1: Apply knowledge in core areas of Civil Engineering such as Structural, Geotechnical, Water Resources, Transportation and Environmental Engineering to Civil Engineering practice.

PSO 2: Utilize Civil Engineering principles that are appropriate to produce detailed drawings, design reports, quantity and cost estimates, specifications, contracts and other documents appropriate for the design, construction, operations and maintenance of Civil Engineering projects.

PSO 3: Shall interact and collaborate with stakeholders; execute quality construction works applying Civil Engineering tools namely, Total Station, Global Positioning System (GPS), ArcGIS, AutoCAD, STAAD and other necessary tools.

I. Publications by faculty

S. No.	Faculty Name	Title of Paper	Details
1.	Dr. V. V. Praveen Kumar	<i>A systematic analysis of binary blend cement concrete infused with lime sludge and fly ash</i>	<i>Chemistry of Inorganic Materials, Elsevier September 2024,</i>
2.	Mr. G. Raju	<i>Geogrid Technology: Boosting Subgrade Strength for Sustainable Infrastructure</i>	<i>Journal of Engineering and Technology Management December 2024, Volume 74.</i>
3.	Mr. G. Raju	<i>Laboratory Evaluation of Industrial Waste Utilization In Pavement Construction</i>	<i>Journal of Civil and Environmental Engineering, October 2024, Volume 12 Issue 10.</i>
4.	Ms. P. Supriya	<i>Comparative study on the NDT testing at elevated temperature</i>	<i>Journal of Engineering and Technology Management December 2024, Volume 74.</i>
5.	Ms. P. Supriya	<i>An experimental evaluation on the stability analysis of Geocell Earth retaining wall using plaxis-2D</i>	<i>Journal of Civil and Environmental Engineering, October 2024, Volume 12 Issue 10.</i>
6.	Mr. G. Sampath	<i>Seismic Analysis of G+8 RC Structures</i>	<i>Goya Journal, October 2024, Volume 17 , Issue 10</i>
7.	Mr. D. Varun Kumar	<i>Optimizing Fiber- Reinforced Geopolymer Concrete for sustainable Infrastructure</i>	<i>Journal of University of Shanghai for Science and Technology, November 2024, Volume 26, Issue 11.</i>
8.	Ms. V. Navaneetha	<i>Treatment of surface water using Moringa Olifera seed powder</i>	<i>Journal of Civil and Environmental Engineering, October 2024, Volume 12 Issue 10.</i>
9.	Ms. G. Vimala	<i>Optimizing clay soil density through lime stabilization</i>	<i>Goya Journal, October 2024, Volume 17 , Issue 10</i>

II. Faculty Achievements/Awards

✚ **GUGGILLA RAJU**, Assistant Professor has been completed for the AICTE QIP PG Certificate Program (Six Months) in "**Data Science and Quantum Computing**" hosted by the Department of Engineering Sciences, ABV-Indian Institute of Information Technology and Management, Gwalior.

III. Student participation/ achievements

S. No	Title of the Event	Name(s) of students	Roll Number	Prize won	Date(s) of the event	Name of the event and organized by
1.	Sports- Kho Kho	O. Thilak Teja (II Year)	24R11A0111	Participation	30.07.2024	Pallavi Engineering College
2.	Sports- Basketball	R. Vedhanth (II Year)	24R11A0114	Participation	03.08.2024	Srindihi Institute of Science and Technology
3.	Tech Samparathi-Cadathon	P. Sravani (III Year)	23R15A0110	I Prize	19.09.2024	Nalla Narasimha Reddy Group of Institutions
4.	Tech Samparathi-Technical Quiz	Ankith. M (III Year)	23R15A0101	I Prize	19.09.2024	Nalla Narasimha Reddy Group of Institutions

IV. FDP's/Workshops/Conferences/Webinars participated by faculty

S. No	Name of the Faculty	Dates/Duration of Workshop	Topic	Organized by
1.	Ms. P. Supriya	1 month (June-July 2024)	Revit Architecture	SkillDzire in Collaboration with AICTE
2.	Ms. V. Navaneetha	5- Day (02.09.2024-06.09.2024)	Coastal Engineering: Comprehensive Insights for Onsite solutions	Dr. D. Y. Patil Institute of Technology, Pimpri, Pune
3.	Dr. R. Prasanna Kumar	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
4.	Dr. V. V. Praveen Kumar	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
5.	Mr. V. Goutham	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
6.	Ms. P. Supriya	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
7.	Mr. G. Raju	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
8.	Mr. G. Sampath Kumar	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
9.	Ms. V. Navaneetha	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
10.	Mr. M. Srujan Kumar	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
11.	Mr. N. Srikanth	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET
12.	Mr. D. Varun Kumar	5-Day (30.07.2024 to 03.08.2024)	Construction Project management and Advances in Construction materials towards achieving Sustainability	GCET

V. Expert lectures / Workshops / Field visits organized by the department

S. No	Name of the Resource person	Designation and Organization	Date organized	Topic covered	Target Audience	Activity
1	Dr. V. V. L Kanta Rao	Chief Scientist (Rtd)-CSIR	21.08.2024	Expert lecture on ICI Student Chapter	II, III & IV Year	Expert lecture
2	B. Santhosh	Manager, Canter CADD, ECIL	14.09.2024	Expert lecture on "Awareness on Civil Engineering Software"	II, III & IV Year	Expert Lecture
3	1. B. Santhosh, 2. S. Sai Mrudula, 3. B. Renuka	Trainer, CANTER CADD	15.09.2024 to 21.10.2024 (Every Saturday)	Value added course-BIM Architecture	IV year	Software Training Program
4	Mr. T. Sai Kiran	Manager, Ultratech Cements Pvt. Ltd	11.09.2024	Engineers Day celebration	II, III & IV Year	Event
5	Er. Raju Kumar	M.D. Dhrumature Consultants Pvt. Ltd.	27.11.2024	Expert Lecture on Advanced Concrete materials in association with ICI	III, IV Year	Expert Lecture
6.	i) Dr. P. Amani ii) Dr. Ravindranath Chowdary	NICMAR University	04.12.2024	Expert Lecture on Recent technological advancements in CRIP sector + Project communication challenges	II, III Year	Expert Lecture

VI. NSS Activities participated (College level)

S.No	Date of the Activity From	Name of the Activity	Organized by College/University	Number of Students participated	Number of Faculty participated
1	3/7/2024 To 21/8/2024	One month Skill development program on "Tally Software Tool with hands -on"	CSE department in association with NSS unit	65	5
2	22/7/2024 To 21/8/2024	Vocational training program on "Cutting and stitching " for unemployed women(30days) (Batch2)	By NSS Unit	21	5
3	3/7/2024	A program on NSS volunteers in Road Safety, women safety and crusade against Drugs	JNTU Hyderabad	7	2
4	31/7/2024	Three- Hour interactive session on UBA"	By NIRDPR, Ranjendranagar Hyderabad.	0	2

Fresher's Day:

On September 13, 2024, the Civil and Mechanical Engineering departments of GCET jointly organized Fresher's Day in the Block 3 Seminar Hall, extending a warm welcome to the newly admitted students. The event began with cordial addresses by the Heads of both departments, setting an enthusiastic tone for the evening. Senior students presented a lively lineup of games, cultural performances, and engaging activities, creating an atmosphere of joy and camaraderie. The freshers took the opportunity to introduce themselves and interact with both peers and seniors, fostering early connections. The celebration concluded with a vote of thanks and refreshments, leaving behind a memorable start to their journey at GCET.

Graduation Day:

Hearty congratulations to the Civil Engineering graduates of the 2020–2024 batch on the occasion of your Graduation Day, to be celebrated on 17th August 2024. This proud moment marks the culmination of your hard work, perseverance, and growth over the past four years. As you step into the professional world, we are confident that the knowledge, skills, and values you have gained will guide you in building a successful and impactful career. Wishing you all the very best for your future endeavors—may you continue to achieve great heights and make your alma mater proud.

Alumni Meet:

An Alumni Meet for the 2020–2024 batch was held on December 25, 2024, at the GCET Open Auditorium, bringing together former students for an evening of reconnection and celebration. The event was graced by alumni including N. Bharath, K. Karthik, K. Jayanath, Kalyani CH, V. Krishnaveni, A. Abhishek, and V. Srikanth, with Faculty Coordinator Mr. D. Varun Kumar overseeing the proceedings. The program began with a warm welcome address by the Principal, followed by engaging cultural performances by current students. A highlight of the evening was the interactive session where alumni shared their career journeys and experiences. The event concluded with a heartfelt vote of thanks and a dinner, offering a memorable opportunity for networking and reminiscing. The meet was a resounding success, celebrating the lasting connection between GCET and its alumni.

NIRMAAN (JUN 2016 – NOV 2016) NEWSLETTER

DEPARTMENT OF CIVIL ENGINEERING
 Message from Head of the Department (HOD)

It has been a great pleasure bringing out our newsletter "NIRMAAN" for the first time since the inception of the department in 2014-15. By virtue of its nature a civil engineering course equips the students with several highly desirable qualities and skills which make them employable. However, in the contemporary highly competitive scenario, specialized training in emerging technologies of all the major civil engineering disciplines based on the needs of the industry has become an essential co-curricular activity. Apart from this, students should be equipped with the required soft skills and interpersonal skills. The ultimate goal of the present time is to inculcate an attitude of professionalism in the students and infuse in them a desire to learn further thus encouraging a life-long learning process in their minds.

With this note we bring you our Newsletter NIRMAAN!!!

DEPARTMENT OF CIVIL ENGINEERING
NEWSLETTER
 Volume 1, Issue 1, FEB - MARCH 2017

Chairman's Message
 I congratulate the Department of Civil Engineering for publishing the newsletter which represents the focus on all activities that are being completed in the first part of Academic Year 2017-18. I shall also appreciate the students and faculty for their active participation and organization of various activities which impart essential skills to the department at the best!

Principal's Message
 I am very much pleased to know that Department of Civil Engineering, CEET is coming out with one more edition of newsletter. This serves as a good medium for students and staff to project their contributions and achievements. I hope all the students and staff members are participating with full enthusiasm in this venture. We had great pleasure in providing quality education by equipping our students with skills, confidence and a positive approach with all-around development. I wish all success and cooperation the FDPs, staff and students members who have contributed their valuable knowledge in their effort for completing this edition of department newsletter.

HOD's Message
 It gives the great pleasure to know that one more edition of Department Newsletter is ready to be released to the members of the Department. This is to be sure, the newsletter gives an insight of the departmental activities and achievements of students and faculty for the last six months. Hopefully, it gives motivation and encouragement for the people of entire department to achieve their skills further and bring laurels to the department by participating and conducting several professional activities. I appreciate the editorial team for the hard work that they have invested in bringing this Newsletter to the good quality and great success at all the students and faculty.

DEPARTMENT OF CIVIL ENGINEERING
PRAGATHI
 Volume 2, Issue 2, January – June 2018

Chairman: M. G. R. Ravinder Reddy
 Principal: M. E. Uday Kumar Sasarla

Message from Head of the Department
 I am very happy to bring out the first issue of Department Newsletter "PRAGATHI" in the year 2018. I am indebted to my colleagues and students for having supported and cooperated for the growth of department. This is a noble venture which will help in giving a platform for the students to showcase their talents and skills. I hope all the students and staff members are participating with full enthusiasm in this venture. We had great pleasure in providing quality education by equipping our students with skills, confidence and a positive approach with all-around development. I wish all success and cooperation the FDPs, staff and students members who have contributed their valuable knowledge in their effort for completing this edition of department newsletter.

Chairman: M. G. R. Ravinder Reddy
 Principal: M. E. Uday Kumar Sasarla

I am very happy to bring out the second issue of department Newsletter "PRAGATHI" in the year 2019. I am indebted to my colleagues and students for having supported and cooperated for the growth of department. This is a noble venture which will help in giving a platform for the students to showcase their talents and skills. I hope all the students and staff members are participating with full enthusiasm in this venture. We had great pleasure in providing quality education by equipping our students with skills, confidence and a positive approach with all-around development. I wish all success and cooperation the FDPs, staff and students members who have contributed their valuable knowledge in their effort for completing this edition of department newsletter.
